"Hello everyone, I have to announcement that about my contract. I will no longer race for HB Racing/Neidhart. Maybe this Corona situation makes also affected end up our relationship for hard time for business. It's dissapointed for work with them very short term and I didn't make any promotions. Special thanks to Philippe Neidhart for give me chance to work for their team and I had alot of learned from them. Hope HB Racing/Neidhart will successful for their futures!!"
